Card Making Day...

In the morning you will be introduced to 'stamping' a new technique for everybody.

In the afternoon we will cover another technique as chosen by Angie, Linda, Marilyn and Sophie!

Please feel free to bring your own favourite scissors, fine needles, thimble, etc. Wet wipes will be useful for this session!

If you are interested visit the village web site where you will see and read about the first card making event. We now plan to make this a quarterly event practising our skills and learning new techniques. It's fun!!!

All equipment provided to make cards with a focus on Christmas!
